Certificate Number: _____ Date of Issue: _____

Chapter 43A requires that an applicant must designate a manager of operations of each pool for which a permit is sought. If a person designated by an owner as manager of pool operations is not certified, that person shall attend and successfully complete the next training course conducted after his designation. Contact the Department of Code Compliance, 214/948-4095 or 214/948-4105, for the next available certification class.
