RE: 16th Annual EarthFest – April 18, 2008

VOLUNTEERS NEEDED!

Join **DOWNTOWNDALLAS** Friday, April 18, when we celebrate “Our City, Our Environment” at the 16th annual **EarthFest** volunteer clean-up and free festival!

Thousands of attendees are expected to participate in this fun and worthwhile tradition of entertainment, exhibits, give-aways and beautification projects. Sponsored by **DOWNTOWNDALLAS**, Keep Dallas Beautiful, City of Dallas and the U.S. Environmental Protection Agency, EarthFest is the Downtown version of the Great American Clean-up.

At least 80 teams, each consisting of 6 to 8 volunteers, are needed for the EarthFest clean-up on April 18. We ask that each team commit up to two hours between noon and 4 p.m. to plant flowers, clean vacant store fronts, remove graffiti, pick up litter and perform other beautification projects throughout Downtown.

Teams are also invited to participate in a light-hearted competition for most team spirit.

All of us benefit from a cleaner Downtown, so we encourage you and your employees to become involved in EarthFest 2008! Complete and return your participation form today or call us at 214-744-1270 if you have any questions.

Team Registration Form

YES, sign us up to participate in EarthFest 2008!

This year's **EarthFest Clean-Up** includes a number of projects designed to beautify Downtown. Your team may plant trees and flowers, clean vacant storefronts, remove graffiti or pick up trash. We need at least 80 teams to commit up to two hours each to accomplish our goals, so put your teams together now and plan to have fun on April 18! (Clean-up hours: Noon to 4 p.m., team size is 6 to 8 people). Please respond by April 2, 2008.
