

Request for Qualifications for 2006 – 2010 Capital Projects Addendum 1

Program Manager Information

It is the intent of the Dallas Park and Recreation Department to utilize Program Management to assist in the implementation of the 2006-2010 Bond Program. The following types of projects will utilize Program Management:

- Recreation center renovations, expansions and new facilities
- Support and maintenance facilities
- Picnic pavilions
- Miscellaneous improvements

Additionally, the following types of projects may utilize Program Management:

- Miscellaneous site development improvements including playgrounds and trails

Code Consultant Services Information

The Dallas Park and Recreation Department would like to include Storm Water Management Consultants in the Code Consultant Services consultant pool. We would like the services to include but not be limited to the following:

- SWPPP preparation
- Erosion Control Plan preparation
- Document preparation
- Site inspections
